Facilities

- Our beautiful farm offers more than 850 hectares of prime hunting amongst an abundance of Baobab and other Bushveld trees, with undisturbed hilly and flat terrain, ideal for a family-friendly hunting experience.
- Our hunting lodge consists of a fully equipped lodge with 4 cabins with bedding, towels, basic toiletries and air-conditioning.
- Fully equipped kitchen with microwave, oven, deep freeze and fridge.
- Our team consists of two guides and trackers, resident chef and professional hunter.
- Limited minibar available on request.
- Hunting lodge serviced daily.
- Fireplace and braai area outside as well as inside.
- Full bouquet DSTV.
- Swimming pool overlooking dry riverbed and waterhole.
- Two fully equipped hunting vehicles.
- Slaughter facilities with cold room.
- Bush camp available on request with sleeping in dry riverbed (sleeps 2) for the adventurous.

Hunting: Pre-conditions

- Firearms must be functioning properly and must be properly sighted before arrival.
- No shotguns, airguns or calibres smaller than .243 or 6mm allowed.
- Permits for transport of warthog and bush pig available from owner. **Prior arrangement required.**
- Processing of meat and delivery in Pretoria to be arranged with nearby abattoir. Kindly note that arrangements for delivery of venison to the abattoir must be made with the owner thereof. Contact details are available on request.
- Hunters, Non-hunters and children enter Adansonia Eco Lodge at their own risk. No responsibility for any illness, accident, injury or any expenses arising from such illness accident or injury, nor any damage or loss of personal items will be accepted.

Hunting Conditions

- Only ethical hunting in the true spirit will be allowed.
- Hunting rifles to be sighted and tested on first day of arrival.
- Guides and hunters are taken to the hunting area, from where hunting is done on foot. No private vehicles allowed in the hunting area, unless with prior permission.
- A maximum of 4 hunters at any time in the hunting area will be allowed. No hunting from vehicles. The hunting vehicle is to be used solely for transporting hunters between the lodge and the hunting area and back.
- No littering in the veld.

- No pets allowed.
- Hunting is from sunrise until half an hour before sunset. No hunting at dusk or at night.
- Do not give liquor to the guides. A soft drink is sufficient.
- No hunter will be allowed to hunt under the influence of alcohol. No alcohol is allowed in the hunting area.
- Hunters must satisfy themselves regarding the specie, size and gender of the game they want to shoot. No one should rely on the guides, as no discount is allowed for small or wrong game. The hunter is the one who pulls the trigger, not the guide.
- No discussion or negotiating with guides. We have an arrangement with our guides that we double up on any bribes they receive to keep quiet about wounded animals. IT WORKS.
- Firearms must be unloaded and made safe while on vehicles and in the non-hunting area. Hunters are solely responsible for the safekeeping of their own firearms. All firearms must be properly licensed.
- Help us to prevent veld fires. Keep all fires under control and in designated fireplaces. No big or bon fires allowed. Please consider the environment and fire risks.

Shots Fired:

- Game shot and killed – full price.
- Game wounded (blood, skin or bone found) – full price.
- Missed shots – \$100 per shot. Second shot missed - back to shooting range.
- Any damage to property will be added to the hunter's account.

Payments:

- **If hunters do not show up, any payments made will be forfeited.**
- **Payment for accommodation must be made in full before arrival.**
- **Payment for hunting: Cash or EFT as per prior arrangement – before departure on last day.**
- **Kindly ensure that banking facilities for EFT payments are in place, well in advance.**
- **No client will leave Adansonia Eco Lodge if his/her account is not settled in full.**
